We draw attention to the requirement for third party insurance cover on boats; further information can be obtained from the Club website at www.delphsailingclub.com or from Insurance Brokers such as Noble Marine on 01636 707606 and No craft should be brought onto the premises until this application has been completed and membership has been accepted.

Delph SC runs by the voluntary efforts of its members and thus it is a condition of membership that all undertake Club Duties (race/galley), usually two or three in a season, as required by the Club.

Declaration

I accept that the Club only provides safety facilities during organised racing and training sessions. At all times and for all activities I accept sole responsibility for myself, my children or wards and my guests and I accept the responsibility for the supervision of same in the Clubhouse, on the grounds and on the water.

I have read and agree to be bound by the Articles of Association of Delph Sailing Club Ltd. I also declare that the boats, sailboards, or canoes that I register are appropriately insured for third party liability to a minimum of £2,000,000 and that they will continue to be so insured when they are on the premises. Please note that the data gathered by this form is for internal use only. However, the Club receives a payment from Noble Marine related to the number of craft that our members insure with them. To claim the payment, we confirm two pieces of information with Noble Marine: your name and policy number. If you do **not** wish this to happen, please tick the box.

However ticking the box will preclude the Club from claiming the payment on your behalf.

Signed Date

I enclose an s.a.e. and a cheque payable to Delph Sailing Club for £....., to cover entrance fee, subscriptions and craft registration fees for the period 1/2/19 - 31/1/20, returnable if the application is not accepted. Please send this form, together with your remittance to:
